

WOMEN GO TECH

- Empowering Talents to Discover Tech -

WOMEN GO TECH is...

The first mentorship program in Lithuania for women who seek career in TECH (ICT and engineering sectors).

Our mission - Empowering Talents to Discover Tech

We do it VIA:

- One-to-one mentoring sessions
- Real life examples
- Balancing women and men mentors involvement
- Showcasing best stories

Team of Organizers

What's next for

- Include more women from different backgrounds and age groups
- Include not just mentoring as a method of development

The logo for 'WOMEN GO TECH' is centered in the upper left. It features the words 'WOMEN' and 'GO TECH' stacked vertically in a bold, sans-serif font. 'WOMEN' is white with a purple-to-pink gradient shadow, while 'GO TECH' is purple with a white-to-pink gradient shadow. The text is enclosed in a thin, double-lined rectangular border with a purple-to-pink gradient. The background behind the logo consists of overlapping, semi-transparent triangles in shades of orange, red, and purple.
